	- 2 -	
6.	On 7 August, the western section of the barracks installations in Ebersdorf quartered 300 to 400 men who were red-bordered black epaulets with motor transport insignia. Nost of the soldiers observed were recruits. The commanding officer of the wait was a	
	major, of the installation quartered about 150 men wearing black-bordered black epaulets and about 50 wearing red-bordered black epaulets.  Lost of the soldiers seen at this installation were recruits. On 5 August, about 100 men wearing black-bordered black epaulets fell in in the yard of the installation. Thirty men wearing black-bordered black epaulets were conducting combet training.	
	and 150 men, who were red-bordered black epaulets and carried rifles and light assault equipment marched in groups of about 30 each to the drill ground. On 6 Mugust, about 180 men wearing black-bordered black epaulets engaged in combat training in plateons	(1
7.	During the period from 5 through 7 August, the Artillerie Kaserne on Leninstrasse was occupied to capacity by a unit whose soldiers were black-bordered crimson epaulets. All the windows of the installation were lighted in the evening hours.  [25X1]	
Ĉ.	On 7 August, the Infanteric Kaserne on Loninstrasse quartered soldiers who were black-bordered red epaulets.	(1
